The New *XL Girls:* What We've Been Waiting For

Dear *XL Girls,*

Congratulations on making *XL Girls* with all-new photo sets. This is what we plumper lovers have been waiting for. And more praise for starting the "Weighing In" forum. At last, an outlet for plumper fans to discuss all aspects of our passion.

You asked for our favorite poses. For me, the most exciting poses are the side and front views of a model on her hands and knees with her jugs hanging…a view that shows how full a model's boobs are.

The photo sessions that start out with clothes on the model are terrific. Good examples of such photo sets are Kimmy Nipples, Gina LaMontana and Julianne in *XL Girls* #89.

Seeing my favorite plumper clothed allows me to envision how the plump women I see in everyday life would look totally naked.

As far as the models using dildos, it's okay but not necessary. However, even though I'm not a big fan of dildo scenes, watching Cassandra and Kerry Marie go at it with a double-headed dildo in the *On Location Costa Del Sol* DVD was incredible.

Girl-boy is okay, but, again, not a major stimulant for me. I prefer the model by herself.

Another favorite scenario is girl-girl action. There's nothing more appealing than seeing two or more big-breasted women enjoying each other's breasts. *On Location Costa Del Sol* has great girl-girl action. And I do get very excited watching big-busted women eat pussy.

On to some observations:

• Sweety is so sexy in the *XL Girls Home Alone* DVD. Watching Sweety take a bath is my idea of heaven. I'm looking forward to purchasing the *XL Xtra* #3 DVD so I can watch two of my favorite plumpers, Sweety and Lulu, tit-suck and eat each other's pussies.

• Laura Bailey was great in the *XL Girls Home Alone* DVD. Her body is great in motion. Her luscious jugs are eye candy. And she has a big, sexy butt.

• I hadn't thought about Kerry Marie being a plumper. But upon comparing her photos now to her photos a few years ago ("Plumping Up," *XL Girls* #92), you're right. She has gradually entered the plumper ranks. No complaints, though. Kerry looks better than ever with the extra pounds. Let her know that her fans highly approve of her weight gain. Here's hoping Lorna Morgan will join her friend in gaining some pounds.

• The best butt in #89 is Chanta's. She has a cute face to go with her nice set of low-riding tits. Most importantly, Chanta has the best butt in all of the XL kingdom. Her very wide hips provide

Kerry Marie *(XL Girls* #92) has undoubtedly joined the plumper ranks since putting on 20 pounds.

Julianne (above) looked great in and out of clothes in *XL Girls* #89. And Chanta's ass-tounding rear made her the issue's big-butt star.

Like many plumpers, Tammy (#89) wondered if anyone would want to see her naked. Reader P.B.'s answer: "Yes!"

plenty of room for a humongous rear. And her thunder thighs are spectacular with no cellulite. She's right when she says her drawing card is her big butt. I would be a very happy man if my face was buried in her butt.

• Sapphire, who appeared in #79, is outstanding in the DVD *Stacked & Packed #5*. The scene in which she is laying on her back and using her hands to play with her cunt is spectacular. It's unbelievable how her boobs bounce around without her body bouncing.

• Lastly, here's my note of encouragement for Tammy (#89). Tammy, you certainly belong in *XL Girls*. Your beautiful face compliments your captivating curves. Your deep, cavernous cleavage provides a beautiful view. The size of your huge, erect nipples is something rare. Tammy, I wonder if your nipples remain that size all the time. What a tantalizing thought. So please, Tammy, pose for some more pictures. You have many fans eagerly waiting for you to appear in *XL Girls* again.–P.B., Kalamazoo, Michigan

Dear P.B.: Thanks for the good word and your varied comments. You'll be happy to know that you're going to get another look at Chanta's prodigious 50-inch hips in this issue's "Thunder Cheeks" special, beginning on page 51. Her ass is truly a marvel of engineering.

Brainless, Dickless, Dumb Shit of the Year Award

Dear *XL Girls*,

I was so pissed off after I read what Laura Bailey's ex did to her that I almost bought a plane ticket to London to straighten this bum out myself. That guy needs to pull his head out of his ass and get an EKG while he's at it. That anyone couldn't think Laura Bailey isn't one of the finest examples of the female species is either brain dead, dickless or both.

Laura Bailey *(XL Girls* #89) is one of those girls who we don't see enough of, but when we do see her, we have a hard

Face down, ass up. Melanie Anton strikes a classic pose.

time keeping our hands off our dicks. Especially now since she's put on a few pounds and is looking more and more like an *XL* Hall of Famer. Too bad she wasn't in the running for Plumper of the Year. I bet she'd have given all the other girls a run for their money.

I have an idea, though. Let's have a Dumb Shit of the Year Award, and we'll give it to Laura's loser ex-boyfriend.

Now, having said that, I am using this opportunity to vote for Devin Taylor for Plumper of the Year. I can't stop thinking about her big legs and ass.–C.Z., email address withheld

Why Is Kimmy Lonely?

Dear *XL Girls,*

I just wanted to write and say that I enjoyed the pictorial of Kimmy Nipples (*XL Girls* #89). I enjoyed looking at her as well as reading what she had to say.

The thing that intrigued me the most was the fact that she said she never gets asked out. I know as a lover of women like her, I wouldn't pass up the opportunity if I bumped into her anywhere or just saw her wherever. She is the perfect woman to look at, and she seems like she is a wonderful person.

So pass a message along that if she wants to take a chance and see how she should be treated, drop me a note. I would love to ask her out and show her the perfect evening.–Anthony, email address withheld

A Cassandra Update

Dear *XL Girls,*

I saw your *XL* Legends pictorial on Cassandra (*XL Girls* #89) and the big question, "Whatever happened to Cassandra?" I can tell you.

I met her in Detroit when she was working as a house dancer at a crummy place downtown in 1993-1994. She stood out from the pack. Those tits, that ass. I had her give me a lap dance and paid her double her standard rate. We hit it off immediately.

I didn't see her layouts until months later. She told me that she was married with one five-year-old daughter. Her husband wasn't too successful. He was 43 years old and a musician. She lived in central Michigan and commuted 75 miles each way to dance.

We fooled around on many of my visits (as much as we could get away with at a topless place). Sometime in early '94, she told me she was leaving her husband. She moved back to her hometown of Austin, Texas, and I never saw her again.

That's it. I hope that helps.–Name and email address withheld

Anybody For Smothering?

Dear *XL Girls,*

Just bought *XL Girls* #89, and what a mag! Laura Bailey looks yummy. As a fellow Brit, I'd love to meet her. Her ex-boyfriend must be blind and stupid.

Kimmy Nipples looks awesome. I can't believe she is single. Also, I'd like to see more of Angel, too. As for Deja, there are no

Model Search

$20,000 GRAND PRIZE

WHAT'S THE DEAL?

The SCORE Group is searching for the next Samantha, Laura Bailey, Linsey Dawn McKenzie…the next big-bust superstar. And we're willing to pay big bucks to find her! So, send in nude photos of your candidates. Polaroids, snap shots and jpegs are all okay. There's no better time to convince that super busty girl you have been admiring that she belongs in *XL Girls* or *Voluptuous* because on Dec.1, 2004, we're going to choose the best busty new discovery and give her a $20,000 modeling contract.

THE RULES ARE SIMPLE:

Our editorial staff makes all decisions and those decisions are completely subjective and final. This contest is open to any girl who has not appeared in a magazine. If you've been in *XL Girls* or any other men's magazine, either as an amateur, model or even in phone sex ads, you are ineligible. The winner agrees to take an all-expenses paid, working vacation in sunny, beautiful, exotic Miami, Florida, where she will be photographed for five days in our state-of-the-art studio. The winner also agrees to sign The SCORE Group's standard model release and have her photos published in the magazine and on our website. This competition is open to all residents of Planet Earth, void where prohibited, 18 years old and older only. More legalese is in the official contest rules, which will be provided to all contestants upon request.

The other requirement? Big, beautiful tits! So send in your photos, and you could well find yourself $20,000 richer! The addresses are: *XL Girls* Model Search, 1629 N.W. 84 Avenue, Miami, Florida 33126 or editor@XLGirls.com.

Kimmy Nipples (#92) is a prime example of an XL girl who combines a bodacious body with a fabulous face.

words to describe that awesome body.

Some suggestions for future issues:

1. Any chance of the girls starting off fully clothed more often and then doing a striptease? That would be more of a prick-tease.

2. This is probably too kinky for your mag, but any chance of having more big girls on top of men, particularly on their faces and smothering them? That's a favorite position of mine. It would require a big-assed woman like Samantha or Wonder Tracy. I would be a lifelong fan if you could show pictures like these.–Col, email address withheld

Bodies...And Faces, Too!

Dear *XL Girls,*

XL Girls #89 may be the best issue of either *Voluptuous* or *XL* I've seen. The girls in both mags have awesome figures–boobs, asses, thick legs, etc.–but I don't think they get enough credit for how drop-dead gorgeous they are.

Case in point: Kimmy Nipples, along with the killer body, has an angelic face and tawny blonde looks. Samantha, Kerry Marie, Maria Moore and Linsey Dawn McKenzie all have devastating bodies with gorgeous faces. I can imagine a beauty contest on prime-time TV with these curvy beauties. All I know is, I'd love to be a judge!–E.J., email address withheld

Sweety: Never Enough

Dear *XL Girls,*

I really dig Chanta *(XL Girls* #89) and her lovely ass. Next time, show a picture of her in some tight jeans, then with a thong and then a straight-on doggie-style pose.

I also dig Kimmy, but I'm less a fan of Angel (a little too fat) and not much of a fan of Mandy. The one I really love is Sweety. Let's see some more of her in upcoming mags and videos. There's something incredibly sexy about her.–Name and email address withheld

Pushing The Envelope

Dear *XL Girls,*

I hope *XL Girls* having a letters departments means it is one step closer to becoming a monthly magazine.

I am always fascinated by the sheer beauty of the big women *XL Girls* brings us. As a fan of big women, however, I fear that you may be leaving behind many big women who are willing to pose but don't have such beautiful faces as Samantha, Candy Kane, etc. Does *XL Girls* have a treasure trove of rejects to share with us readers? We could vote on them, and you could bring them back for full layouts.

How about pushing the envelope a bit and

Deja's bountiful body and sexy looks are the epitome of *XL Girls* perfection.

This Guy's No Angel

Dear *XL Girls,*

Listen, I like my ladies big, but there has to be a limit. Angel *(XL Girls* #92) is nothing but a shapeless, fat blob who appeals only to men with very extreme tastes in women. I mean, that half-page shot of her butt is disgusting. It looks like she's growing a second ass.

Angel looks like a pretty woman, and I'm sure she'd be very sexy if she lost about a hundred pounds. Oh, one more thing? You say that her weight is 230 pounds? I'd say she's closer to 300.–J.H., Calgary, Alberta

A Man With Extreme Tastes In Women

Dear *XL Girls,*

Thank you for delivering my Angel to me *(XL Girls* #89). What a complete beauty! What's special about Angel is that even though most people in society would look down upon her, she isn't afraid to show her beautiful body and express her sexuality. I hope to see many more Size XXXL girls in the future, and I definitely hope to see more of Angel.–A.R., Tacoma, Washington

showing us a wider range of big-woman sexuality? How about pregnant big women? Pregnant big women pissing? Pregnant big women in hardcore sex? Anal sex? Face sitting? Foot sex? Big women do everything their skinny sisters do, but big women just look better doing it. Poll your readers. Ask them if they would like to see older big women, perhaps with a few stretch marks or other "imperfections" but who are still stone-cold knockouts.

Yep, *XL Girls* needs to go monthly ASAP. I'd be willing to pay $8.99 per issue, just like I do for *SCORE*. After all, shouldn't we expect to pay more with *XL* since we get more?–A.L., Los Angeles, California

Dear A.L.: To answer your first question, no, we don't have an archive of "rejects." We go to a lot of trouble in selecting the girls who will appear in XL Girls, and by the time we start taking pictures of them, we know they're up-to-par. If a girl sends us her photos and we decide she's not up to XL Girls *standards, we return her photos.*

As for pushing the envelope, we'd like to hear what other readers think about the topics you mention. How about it, guys? Do you want to see pregnant plumpers having hardcore sex?

Regarding the possibility of XL Girls *going monthly…that's something we've discussed, but so far, there are no plans to increase the frequency of the magazine from the quarterly it is now. The introduction of "Weighing In" wasn't meant to be a first step towards* XL Girls *going monthly. It was a response to the volume of mail we receive from XL lovers who want to voice their opinions. The size of this issue's letters section, our biggest yet, indicates that you guys have a lot to say.*

XL Girls #92: Flesh Factory

Dear *XL Girls,*

I just picked up my copy of *XL Girls* #92, and although I've only had time to flip through it once, it looks like you might've finally gotten it right when it comes to what a plumper really is.

Issue No. 89 was good except for Casey Cleavage, who in my opinion is too skinny for *XL Girls,* but No. 92 didn't have a single non-plumper, although I still think Susie Wilden could afford to pack on a few more pounds. Flipping through the issue, all I see is flesh, flesh and more flesh. Congratulations on a great job.–L.S., Mexico, New York

The Readers Debate: Plumper of the Year

Editor's Note: In this issue, beginning on page 16, we'll crown the first XL Girls/Voluptuous *Plumper of the Year. the following is a cross-section of letters we received from readers and voters regarding the finalists.*

Dear *XL Girls,*

I think it's great that you're starting a Plumper of the Year contest, but I think it's a mistake to combine the award with *Voluptuous* magazine. As we all know, *XL Girls* readers prefer bigger, plumper girls, and tits aren't everything. Asses count for a lot, too.

For example, if the award was *XL Girls* Plumper of the Year, I can't imagine that great girls like Laura Bailey and Evzenie wouldn't have been in the running. Also, how about Anastasia?

I would love to see *XL Girls* set itself apart completely from *Voluptuous* and become truly its own magazine. Creating an exclusive *XL Girls* Plumper of the Year award would be, in my opinion, a gigantic step in that direction.–E.W., Phoenix, Arizona

Dear E.W.: Laura Bailey wasn't a finalist for Plumper of the Year because she didn't appear in XL Girls *or* Voluptuous *during the 12 months prior to the choosing of the finalists. Regarding giving* XL Girls *its own Plumper of the Year award separate from Voluptuous, have patience, good man. In 2005, we'll crown the first exclusive* XL Girls *Plumper of the Year. By the way, gentlemen, what do you think about crowning a Newcomer of the Year, too?*

Dear *XL Girls,*

What a lineup for Plumper of the Year! Too bad you didn't separate the newcomers from the girls who have been around for a while. Then the beautiful new plumpers like Devin Taylor and Maria Moore would've had a chance against such super-plumpers as Sweety, Deja and Samantha.

To me, Sweety is everything an XL girl should be: pretty and super-plump in all areas. Huge tits, huge, fuckable ass. Enter my vote for Sweety.–Name and email address withheld

Dear *XL Girls,*

When I saw that you were having a Plumper of the Year contest, I got all ready to vote for Evzenie. You can imagine my disappointment when I

Is Bigger Better?

XL Lovers Know the Answer!

The answer is yes, of course. But just in case you needed more proof—and because we think it's fun—here are 44-34-40 plumper superstar Kerry Marie and 34-24-34 waif Missy side-by-side. Now, Missy's a very nice girl. Sexy, too. But the power of the plumper is udderly undeniable.

Is Bigger Better?

XL Lovers Know the Answer!

We know some guys prefer skinny chicks over stacked-and-packed babes. But why would a guy want to fuck a bony butt when he can sink his cock into Kerry's fleshy rear? And what man can resist the allure of FF-cup hangers? XL Men, this is an open-and-shut case.

2003 PLUMPER OF THE YEAR

The results of our first-ever contest to crown the top plumper in the world are in!

#10 Deja 356 votes

#9 Sweety 362 votes

Nearly 15,000 votes were cast. By any measure, all of these girls are winners.

And you'd die to have any of them in your bed, wouldn't you? Certainly, the 10 finalists for the first annual X*L Girls/Voluptuous* Plumper of the Year are as impressive a group of women as you'll ever find. As reader T.R. from Brooklyn, New York, said, "Having to choose a winner from among these 10 girls is one of the hardest things I've ever done. And I do mean hardest!"

#8 Emage 402 votes

#7 Kat Vixen 449 votes

#6 Sarah Mercury 1,740 votes

#5 Maria Moore 2,144 votes

The final group of 10, as originally selected by the members of XLGirls.com, then voted on by you, is a wide cross-section of both gals who made their *XL Girls* magazine debuts in 2003 and beloved veterans. For example, on this spread, we have Sarah Mercury, two-time *XL Girls* cover model. And Maria Moore, one of the top newcomers of 2003 (we interviewed her in #92). And Brit-beauty Kerry Marie, the long-time *Voluptuous* favorite who packed on the pounds to become a true super-plumper. In all honesty, the oddsmakers here at *XL Girls* had made Kerry Marie the *heavy* favorite to win Plumper of the Year.

#4 Kerry Marie 2,212 votes

#3 Susie Wilden 2,284 votes

#2 Devin Taylor 2,348 votes

And the winner is...

Only 749 votes separated the top five finishers in the voting. At various points over the final two weeks of voting, Kerry Marie, Susie Wilden and newcomer Devin Taylor each had the lead to themselves. But when all the votes were counted, a babe who represents what *XL Girls* is about in every way was the choice of the readers of *XL Girls* and *Voluptuous*.

PLUMPER OF THE YEAR 2003

XL Girls

SAMANTHA

She's a 46-34-48 wet dream who's proud of her body. Justifiably so.

From the very beginning, when she crashed the *XL Girls* scene in 2001 with a combination of a beautiful face and spectacular body that had rarely been seen before, Samantha has had nothing to hide. Wanna see her heavy G-cup tits? No problem. Wanna see her 48-inch ass? Just ask. Wanna see her belly? Sure thing. Because as J.H. from Dayton, Ohio wrote, "Samantha is proud of her *entire* body."

"I love my body because men love my body. It's big, soft and plush. It's a woman's body."

That's the reason Samantha almost always shows her belly in her pics. It's the reason Samantha totally exposed herself for her hard-core jaunts in the videos *XL Xtra #1* and *XL Xtra #3*, both of which contain long views of Samantha riding cock in the reverse-cowgirl position while her tits hang above her naked stomach. And here she is again, naked except for her shoes, smiling and loving the attention the camera is paying her. You see, society insists thin is in and plumpers have something wrong with them. Samantha knows better.

"I'm so excited! I've never been first in anything before!"

Well, Samantha, now you're first in the world of big-titted plumpers, and you're first in the hearts of *XL Girls* readers. So, because you deserve it, we're going to let some of the 2,783 men who voted for you pay homage to your greatness. "Samantha is more than just Plumper of the Year," wrote E.S. from Fulton, New York. "She's Plumper of the Decade." Added T.L. from San Jose, California, "All of the finalists were great, but Samantha is the greatest. She has the face of a beauty queen and the kind of body even my wet dreams haven't allowed me to imagine." Declared A.T. from London, England, "My heart tells me to vote for one of the British girls. My head and my cock tell me to vote for Samantha, the Queen of All Plumpers. Her XXX performance in *XL Xtra #3* clinched it for me. She's the sexiest *XL* girl ever." Here, here!

It was unethical. It was sleazy. But if the bounty hunter had to fuck the fugitive's plumper sister to get his man...well, a man's gotta do what a man's gotta do.

Amanda Givens easily filled the chair on which she sat, and when she leaned forward, her heavy breasts covered half the table. I didn't stare into the deep cleavage revealed by her low-cut blouse. Instead, I stared into her eyes. They were blue as a midsummer's day, and they sparkled when she spoke.

"Gloria said I'd like you," Amanda said. She pushed her honey-blonde hair away from her round face and wet her full lips with the tip of her tongue. "But I tried to put her off, at least for a while."

"Why's that?" I said. Despite my best intentions otherwise, business had turned to pleasure during our dinner at an Italian restaurant downtown.

"You know what they always say about a bad blind date," Amanda said. "They always tell you the guy has a great personality."

"Were they wrong this time?"

Amanda smiled and wet her lips again. "Not at all." Then she reached across the table and took my callused hand in both of hers, enveloping it in her warm, marshmallow-soft skin. I felt an erotic tingle race toward my crotch, and my balls tightened with desire.

I didn't want to move too fast with Amanda. I needed information from her, and I didn't know how easily she would give it up. We'd finished dinner only a few minutes earlier, so I suggested dessert. Amanda's response, whispered low and husky so only I could hear, was, "The only thing I want to eat is you." Then she lifted my hand to her lips and sucked my middle finger. Within moments, my cock stood fully erect and strained for release.

"Maybe we should–" I cleared my throat. When I had used Gloria to arrange the date with Amanda, I hadn't expected any fringe benefits. "–Pay the check and…"

Without moving her gaze from mine, Amanda took the entire length of my finger into her mouth, then slowly pulled her face back until my finger slipped from between her lips.

"Nice hands," she said. "Big and strong and tasty."

She still held my right hand in hers, so I motioned for the waitress with my left. I requested the check, then returned my attention to Amanda.

Amanda had a second-floor apartment only a few blocks from Richland Mall, and we made it there in less than ten minutes. She unlocked her door, pushed it open, and stepped inside. I followed her. After she closed the door, I took Amanda in my arms and pulled her tight against me, feeling her belly press against mine and her breasts flatten against my chest. I covered her full, moist lips with mine, and we kissed a deep, penetrating kiss. She tasted of red wine, garlic and lipstick wax. When our lips parted, she stepped back.

"What's that?" she said.

I opened my jacket to reveal my leather shoulder holster and the butt of my .38.

"You're not a cop, are you?" Amanda said. "Gloria told me you had your own business."

"I do," I explained. "I'm a private investigator."

Amanda started to laugh, then covered her mouth with her hand. "I'm sorry," she said, "but what is there for you to do in Waco?"

"Divorce cases, insurance fraud, repossessions," I said. Tracking down bail jumpers I kept to myself. "Whatever pays the bills."

Amanda stepped forward and pressed herself against me, her soft flesh molding itself to me through the material of our clothing. "Must be exciting," she said.

I placed one finger under her chin and lifted her face. Before kissing her again, I whispered, "Yes. But not as exciting as you."

We kissed again as our fingers fumbled with belt buckles, buttons, zippers and bra hooks. We stepped out of our shoes and left a trail of discarded clothing down the hall and into Amanda's bedroom. She was naked before me, soft and round and milky white. Her massive melons rested on her ample belly and were capped by pink nipples as thick as .38 shells and pale, palm-sized areolae constricted with desire.

Amanda sat on the edge of her bed and reached out for me, then took my hand and pulled me close. She spread her thick legs so I could stand between them, took my cock in her hand, leaned forward and took the head of my cock into her mouth, covering it with her saliva as she washed it with her tongue. She swallowed my shaft an inch at a time until I felt her hot breath on my pubic hair. Then she drew back.

I reached down, placed my hands on the back of Amanda's head and felt her soft, blonde hair between my fingers. She took my cock all the way into her mouth again and then drew back. Then again. When she released her oral grip on my rigid rod, she looked up and said, "Fuck me."

I pushed her back on the bed and grabbed her ass cheeks. The warm, pale flesh oozed between my fingers as I lifted her off the mattress. When I'd moved her pussy to just the right height, I drove forward, parted her pussy lips with the saliva-slick head of my cock and buried myself deep inside her hot twat. She hooked her ankles behind my back, and I fucked her hard and fast. Her round belly and her massive tits rocked like gelatin.

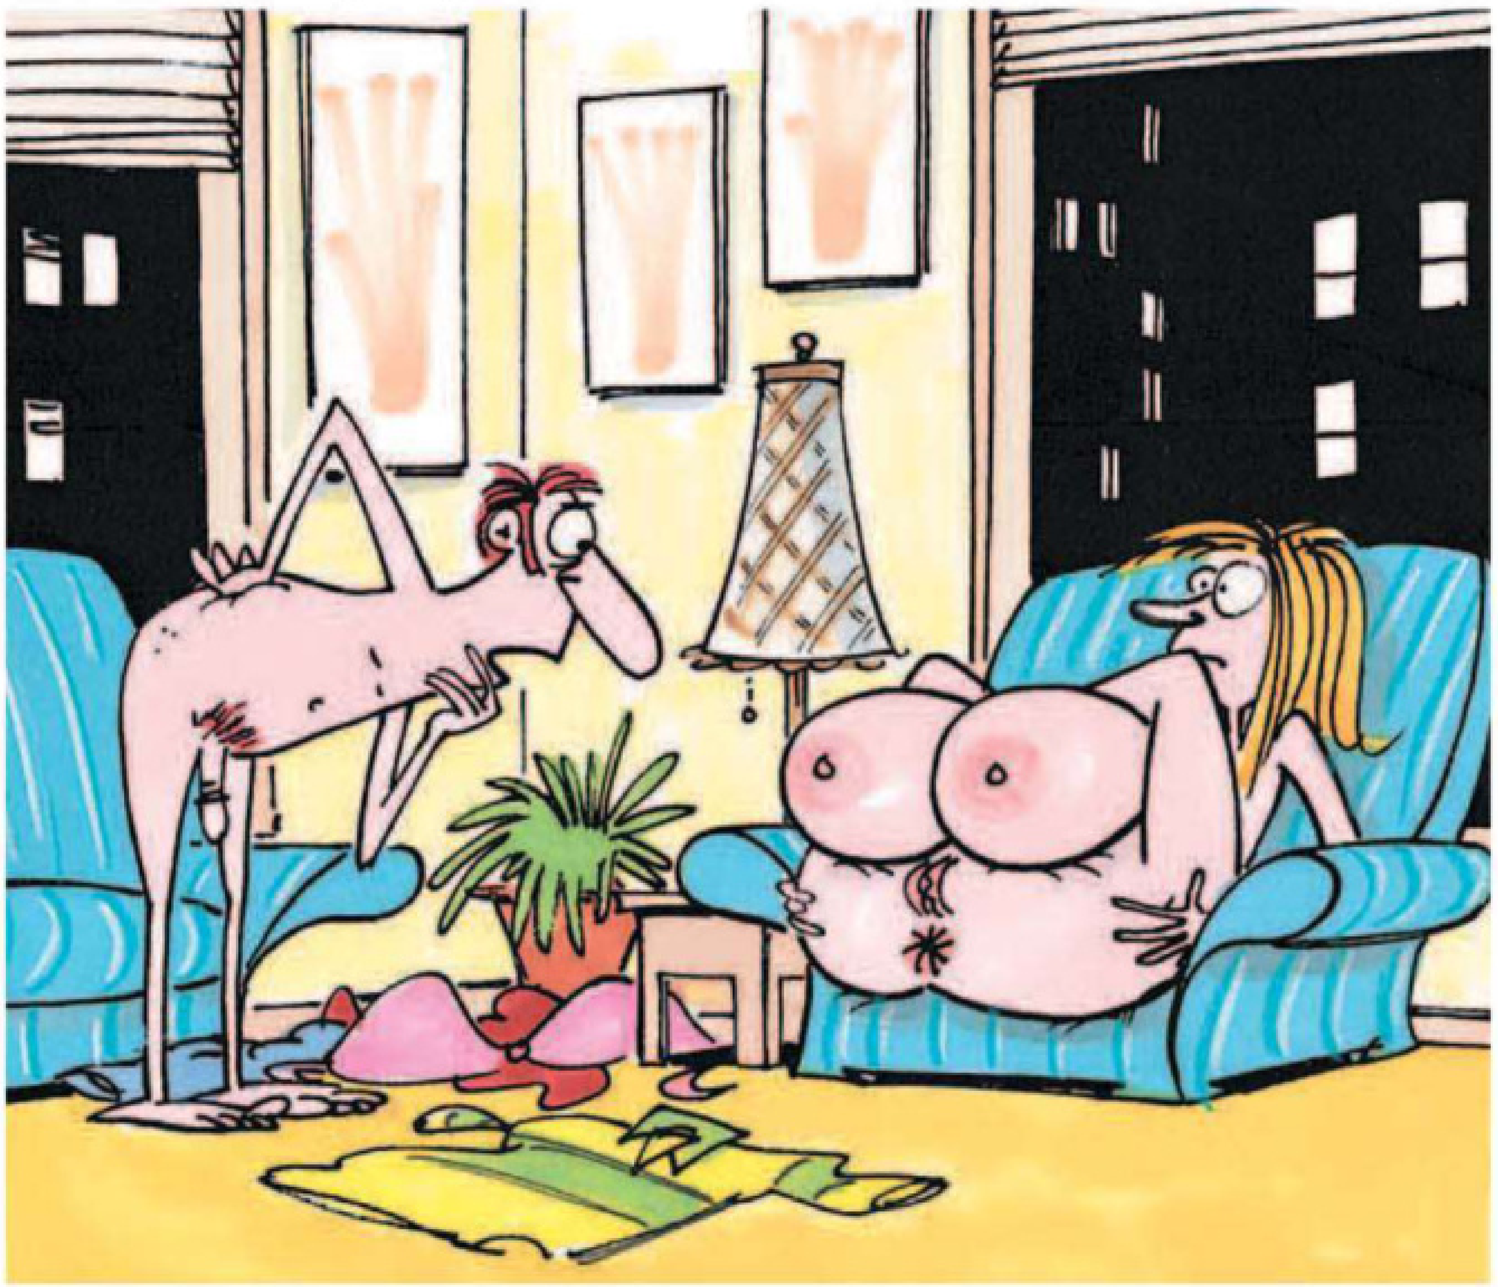

Amanda's entire body suddenly stiffened as if she was about to come, and I continued pumping into her until I couldn't hold back any longer. I buried my cock in her one last time and fired a thick wad of spunk deep inside her throbbing pussy as she came, too.

I cupped Amanda's ass until my cock stopped spasming and softened enough to slip free. Then I crawled into bed beside her and held her spoon style with her soft ass cheeks pressed against my crotch and my hands wrapped around her so I could hold her massive mams in my hands. I teased her nipples between my thumbs and forefingers, keeping them firm, and before long, my cock regained its former stature and pressed against Amanda's ass crack.

She lifted one leg and reached between her thighs, grabbed my cock and guided it between her thick pussy lips. After the head of my dick was inside of her, I thrust forward, burying the full length of my cock in her hot box. I fucked her hard. The cheeks of her ass slapped against my firm abdomen as I pumped into her.

Amanda reached down and stroked her clit with her middle finger. I felt the tip of it rub on the underside of my rigid rod as I continued thrusting in and out of her. She came quickly. Her

TRIXIE

Introducing the eighth member of the *XL Girls* 200-pound club.

Three of those members have come to us in the last three issues. There was 230-pound Angel in *XL Girls* #89. Kim, the biggest XL girl ever, showed off her 262 pounds of fun in #92. Now here's Trixie, an all-American girl who was born on the Fourth of July and checks in at a groin-grinding 235 pounds. She's an administrative assistant in Huntsville, Alabama, and she's posing "to prove to all the skinny girls out there that a girl like me has what it takes to make guys' cocks ache." Well said, our DD-cup newcomer.

"I once had sex in an elevator at the mall. In the end, we both got off!"

Sounds like Trixie has a sense of humor to go with those fleshy tits and her 44-inch ass that overflows her thong panties. She also has a lot of confidence in herself. Like Samantha, the 2003 *XL Girls* Plumper of the Year, Trixie didn't hesitate to rip off all of her clothing and expose every inch of herself...belly included. "I'm obviously not a guy, so I'm no authority on what men want, but if I was a guy and I was into big girls, I'd say the more flesh the better," Trixie said. "I know the guys who are reading *XL Girls* like their girls big, so I want to give them what they need."

SIZE

"I like when guys' eyes wander all over my body. They always seem to stop at my ass."

No surprise there. Sure, Trixie has a pretty face and world-class tits. And the fact that she's only 20 makes us wonder how much bigger and better she's going to get. But it's her ass that stops traffic. "Every guy I've ever been with wants to fuck my ass," Trixie said. "Do I let them? Hey, I'm a nice girl. I'll never tell." We're taking that as a yes.

SARAH

She took these pics because she wanted to please her husband. Hey, how about the rest of us?

Meet Sarah. She's a 32-year-old housewife from Wheeling, West Virginia, whose hubby sent these photos to *Naughty Neighbors,* another mag The SCORE Group publishes that focuses on amateurs. Well, fortunately for you, the editors of *NN* and *XL Girls* frequently compare notes, and when the editor of *XL Girls* saw the pics of Sarah's girl-next-door face and "fuck-me" ass, he said, "Mind if I take these?"

"Would you believe I've never had anal sex?"

Well, considering how tight your butthole looks, yeah, Sarah, we'd believe it. But would you believe that a guy who's been married to Sarah for seven years didn't know *XL Girls* existed? Of course, neither did Sarah, but she likes the idea of a mag devoted to plumpers. "I know men are into big girls because they're always slapping my ass," she said. "My husband doesn't mind. He says a butt like mine was meant to be shared." We agree, Sarah. So share it with the world!

Welcome back a horny plumper who finally found a guy who'd do her ass.

Like that should have been a problem, right? But as Claire, a sporting-goods store clerk from Bristol, England, told us when she debuted in *XL Girls* #83, "I offered my butthole to the last couple of guys I slept with, but they both gave it a miss because they hadn't done it before." Well, neither had Claire...until a month ago when her anal cherry was broken.

Claire

"He was so gentle. He made love to my bum."

Claire told us that she had slept with the lucky guy a few times when, one night, she rolled onto her stomach during sex, grabbed one of her buttcheeks, spread it wide and said to her bedmate, "Would you like to fuck my bum?" The guy's eyes lit up. But he didn't simply lube up her brown-eye and ram his seven inches as far into her ass as it could go. First, he licked her asshole gently and got it all wet. "That was such a turn-on," Claire said. "He was so uninhibited. He licked my ass like it was my pussy." Then he put some Erogel lube onto his index finger and gently fingered her tight hole. He worked it in just right and moved it in and out until Claire looked at him and said, "Please fuck my bum already!" Of course, by this time, his cock was rock-hard and ready for action, so he spilled some more lube onto his cock-head and slid it into Claire's ass an inch at a time. When he was balls-deep, he stopped, let Claire experience being filled, then pumped away. "It was heaven," Claire said. "I'll never forget it. It was like losing my virginity all over again."

PUMPED FOR INFO

Continued from page 30

entire body shuddered. Her free hand gripped the sheets, and then I came, filling her hot box with my cum for a second time within an hour.

This time I was spent, and we lay together, breathing hard, not speaking. After Amanda fell asleep, I slipped from her bed and worked my way through her apartment until I found her brother's first name and a Gatesville phone number penciled on the back of her telephone directory. I copied the information into a small notebook, then searched for another 20 minutes until I heard Amanda stirring in the bedroom. I hurried to the bathroom, urinated and flushed.

"You're not leaving, are you?" she said when I returned to the bedroom.

"I wasn't planning to," I said.

She flipped back the covers, revealing the full splendor of her Rubenesque form, and said, "Good, because I'm not done with you."

I left Amanda's apartment the next morning at a few minutes past eight, then drove downtown and parked on the street a half block from my office. Only two other businesses remained in the building, and I stepped from the blinding morning sun into the darkness between Millie's Tattoos and Piercings and Big Mac's Bail Bonds. At the end of the hall, I turned my back on the empty suite across from mine, unlocked my door, and pushed inside.

The place wasn't big–room enough for a desk, a couple of chairs and some filing cabinets–but I didn't need much. I booted up my Macintosh, logged onto the Internet and found my favorite reverse directory. In less than five minutes, I had an address that matched the phone number I'd found on the back of Amanda's telephone directory.

I went home, showered and changed clothes. Then I drove to Gatesville and saw enough to realize that I couldn't take Englebert Givens without help.

"Need your help again," I told Millie early that afternoon while we shared a take-out order of hot wings and fries in my office. Millard Wayne Trout–"Millie" because his family still called his grandfather "Millard"–operated the tattoo and piercing operation at the front of the building, and he picked up extra money by helping me.

Lester Beeson, owner of Big Mac's Bail Bonds ever since a disgruntled client emptied a shotgun in Macdonald Pearson's face 27 years earlier, and a steady client of mine for nearly as long, had given me a Polaroid of Givens, and I tossed it across my desk.

Millie picked it up. "He's a big guy."

"The entire family's big," I said. My cock twitched as I remembered the previous evening in Givens' sister's bed.

"When?"

"First thing in the morning," I said. "He's holed up in two-bedroom ranch just off the highway. The place sits back a ways, lots of windows. He can see us coming. Maybe we can get there before he wakes, take him in bed."

"Anyone else we need to watch for?"

"The phone's not in Givens' name, so expect someone else home when we get there."

Millie nodded his shaved and tattooed head, then he reached for another hot wing. What we were planning on doing required all the energy the two of us could muster.

"I thought we'd dine in," Amanda said when I arrived at her apartment that evening. She wore a white gown, and when she stood between the light and me, I could see every jiggle of flesh beneath the material. "In fact," she said, "I'm thinking we should skip ahead to dessert."

She took my hand and led me into the bedroom, where I shed my clothing and climbed onto the bed. As I lay on my back, Amanda rolled over and onto me, straddling my chest.

"I can't stay all night," I said. "I have an early appointment."

She silenced me with a finger against my lips. "Don't talk," she whispered. "Just do."

Then she moved forward, covering my face with her pussy. Her thighs felt warm around my ears. I took the hint, stuck out my tongue and licked the entire length of her pussy slit. Her pussy lips swelled and become slick. Then I plunged my tongue between her fat cunt lips and quickly found the swollen bud of her clit. I sucked her clit between my teeth and held it as I teased it with my tongue.

As I tongue-fucked Amanda, I reached up under her gown and took hold of her heavy hooters. Her hard nipples pressed against my palms, and her soft tits overflowed my fingers as I massaged her massive mounds.

Soon, she started moving her hips, her pubic bone bouncing against my nose as she rode my face. She rode me hard and fast, and she came with a flood of pussy juice that dripped down my chin and my neck. Then she slid down the length of my body, grabbed

Thunder Cheeks!

LOOK OUT BELOW!

The asses on these XL girls can fill a room!

Chanta

Fleshy. Fuckable. The asses on these plumpers defy all rules of body engineering.

A babe comes walking in your direction. You can tell she's a plumper. Her breasts are bursting out of her tight top, and the soft bulge of her belly is obvious. You can tell she has big thighs. Her jeans are stretched to the max. But then she walks past you. Your head turns...and you can't believe what you're seeing: thunder cheeks like you've never seen before.

These XL girls have posteriors that make J-Lo's look like a little girl's.

Because, compared to these women, J-Lo's rear is bony. Chanta *(XL Girls* #92) has a 50-inch ass that she packs into the tightest jeans she owns. Gemma (#58) has a powerful butt that juts spectacularly into view. Marina (#58) isn't as plump as most XL girls...except where her ass is concerned. When Chanel took her clothes off in #29, she asked, "Are you man enough to handle a 44-inch ass?" Are you? Lou Lou (#83) says she loves the feeling of a man's hands digging into her ass flesh. And Pele (#35) triples the stereotype of big-butted Latin chicks with 44 inches of lovin'.

Lou Lou

Pele

Princess

Peaches

Whip your dick out. Bend her over. Slap her ass a few times. Then sink in slowly.

Take your time with a big ass, *XL* men. Slap it a few more times. Grab it and pull her cheeks apart. Withdraw your dick from her pussy for a few minutes and bury your face between her butt cheeks. Asses like the ones on these girls were put on this earth to be loved and appreciated. So luxuriate in the 52 inches of booty that Princess (#58) is toting around. Save some of your man-cream for Peaches (#58) and her 46 inches. And enjoy the view of Deja's 48-inch ass from #89. They're all yours.

Aspen

Her dream guy won't drive an expensive car. But he will drive her expansive ass.

"I'm dying to find a man who is strong enough and man enough to put me on my knees and make me happy to be there," said Aspen, a newcomer from Oregon who spends far too much time by herself for a very simple reason: Men keep disappointing her. "All I want is a guy who will cuddle with me and make love to me," she said. "Aren't there any nice guys out there?"

"When men look at me, all they see are big tits and a plump ass. There's much more to me than that."

We can see that. There's a mouth with blow-job lips that could satisfy the neediest cock, and thighs that would look great wrapped around your back. "See?" Aspen said. "Sex is all men think about when they see me. Not that there's anything wrong with sex, but I'm a romantic. I want to be appreciated."

"I want a man who is funny, passionate and confident."

You can stop begging now, Aspen, because we guarantee the mailbox at *XL Girls* is going to be filled with letters from men who want to show you what love is. Until then, allow us to imagine how your mouth would look wrapped around a cock about the size of that dildo and how your pussy and ass would look stretched by man-meat. 'Cause we're romantics, too.

"SCIENTIFIC PROOF!"

PLUMPERS FUCK BETTER THAN SKINNY CHICKS!

You've always known that XL girls were better in the sack than scrawny waifs. But have you ever wondered why?

By Sidney M. Basil, Sexologist

First of all, I would like to thank the editors of *XL Girls* magazine for offering me this opportunity to share with its readers what my colleagues and I consider to be exciting and breakthrough discoveries in the field of sexual science.

When we first began our study of the sexual prowess of large women–whom I will from now on refer to by the non-scientific but easily identifiable name "plumpers"–as opposed to women who fit within the guidelines of the Standard Height and Weight Tables for Women, we questioned what the audience would be for this study. The editors of *XL Girls* have informed me that its readers would not only be interested in but also excited by our findings.

Various aspects of our study will be addressed in this article. But I would like to begin by revealing what we feel are its uncontrovertible results: Because of their innate physiological makeups, plump women are better in bed than women who fall within the standardized norms. By better, I mean more active and energetic in bed, more sexual and more willing to please their partners, whether male or female.

Our study, which was carried out at at the Foxahatchee Institute of Sex in Pleasantville, Florida, took place over a two-year period and studied a test group of 100 women, equally divided between plumpers and "normal-sized" women from all races and walks of life. We did not expect the results we received. However, as I shall now show, there was a valid impetus for the study to be initiated, and our findings confirmed what had been suggested by earlier observations in this corner of the sexiological community.

I. BACKGROUND

Psychological reasons why plump women are better in bed than thin women should be quite apparent to readers of *XL Girls* magazine. As admirers of plumpers are aware, the big woman is often more eager to please her partner in bed because she has become so negatively impacted by society's expectations. Mainstream society values thin women over plump women

The way a plumper uses her energy during sex is obvious by Tracy's exuberance.

The elevated sugar level in a plumper's pussy juices make her a better fuck. Like Raven.

Plumpers such as Debi Lee excrete Omega-7D which increases their creativity.

and suggests that thin is beautiful while plump is ugly. Therefore, to overcome this perceived competitive disadvantage with their thinner peers, plumpers make more aggressive attempts at sexually satisfying their partners. As one plump subject in our test group said, "Maybe if I give him the best fuck of his life, he won't mind that I am fat."

Some of my colleagues in the mental health community have also suggested that plump women are better in bed than their thin counterparts because they have been engaged in sexual activity so less frequently. Hence, their sexual hormones are more sensitive to stimulation–in layman's terms, they are hornier–and they have not been worn down by the sexual process. As another one of the plumpers in our test group said, "I don't get dick as often as a thin bitch, so I want it more. And when I do get it, I basically fuck the guy's brains out."

So, as I have just pointed out, the psychological reasons plump women are better in bed than thin women are many. But never, to my knowledge, have the physiological and biological impactors been considered.

Our test group of plumpers and thin chicks was put through rugged testing which included five fuck sessions.

II. THE IMPETUS FOR THIS STUDY

Over the past several years, tremendous advances have been made in the medical community's acceptance of high-fat, low-carbohydrate diets, particularly those of Dr. Atkins and the extremely popular South Beach Diet. It is now accepted by many in the medical community that a diet high in proteins and low in carbohydrates can lead to weight loss and reduced cholesterol. The weight loss comes from increased metabolism and forcing the body into a fat-burning state of ketosis. In short, the body becomes a fat-burning machine.

What we found most intriguing about the Atkins Diet, however, was a little-known warning from the late Dr. Atkins against a diet that is high in protein but low in fat. In other words, he urges dieters to avoid regularly eating chicken breast without skin and salads with low-fat dressings because the body will resist ketotis. On the Atkins Diet and other high-protein, low-carbohydrate diets, the body needs fat to propel itself into the fat-burning mode.

What this suggested to us is that the body goes into a higher rate of metabolic arousal when it has more fat to burn, and that fat stored by the body can be transferred into energy. Therefore, if fat could be used by the body to reduce weight, could it also be used by the body for substanially increased sexual energy?

III. RESEARCH PARAMETERS

Using the standard Height & Weight Table For Women, we assembled a test group of 100 women. Half of these women fell within the recommended weights for women of their height and body type (for example, a 5'4" woman with a medium frame should weigh between 124 and 138 pounds). The other half of our test group weighed at least 20% more than the high-end of the recommended weight (for example, a 5'4" woman with a medium frame had to weigh at least 165 pounds; a 5'6" women with a large frame had to weigh at least 190 pounds).

For our study, each woman completed five sessions of sexual intercourse with a partner of their choosing, during which their bodies were monitored for various indicators. They also underwent various medical tests before and after the sex act was carried out. These medical tests were also administered during the following situations:

1. While the subjects were viewing an erotic film and reading an erotic story tailored to women.

2. When in the presence of a clothed person who fit their description of what they found sexually desirable.

3. After a prolonged period–five or more days–of abstention from sexual activity, including masturbation.

All of the testing was carried out at the Foxahatchee Institute for Sex, which, in addition to being equipped with laboratory areas typical of a place

The study showed that plumpers, like Mandy, are better suited for sex.

Most plumpers will get extremely horny if you bury your face in their cleavage.

Plumpers such as Susie Wilden are also better suited psychologically to sex.

"SCIENTIFIC PROOF!"

of scientific research, was equipped with six bedrooms that had been decorated to provide our test group with ultimum comfort and sexual stimulation. The sexual acts were monitored behind a two-way mirror so that we could match the physiological responses of the women with what they were doing at the time.

IV. THE RESULTS

Omega-3 fatty acids are a form of polyunsaturated fats and one of four basic types of fat that the body derives from food (cholesterol, saturated fat and monounsaturated fat are the others). All polyunsaturated fats, including the Omega-3s, have been increasingly recognized as important to human health.

Eating too many foods rich in saturated fats has been associated with the development of degenerative diseases, including heart disease and even cancer. Polyunsaturated fatty acids, however, are actually good for you. Omega-3s fall into this category, along with Omega-6s, another type of polyunsaturated fatty acids found in grains, most plant-based oils, poultry and eggs.

One of the most exciting results of our research was the discovery of the Omega-7D acid, which was secreted exclusively by women who fell into the plus-20% weight category. Also, the Omega-7D acid was secreted only during the sexual act. Although we were unable to determine the exact source of Omega-7D, or even whether it exists beyond all reasonable doubt, we believe that it is stimulated and manufactured by a combination of a plumper's stored fat and the unique makeup of her sexual body fluids (which I shall get into later).

Secretion of Omega 7D was non-existent in women who fell within the guidelines of the standard height and weight chart for women and began increasing in women whose weight was at least 20% above the guidelines. Secretion increased up to the 30%-plus watermark, then leveled off. In other words, a woman who is 70% above the weight guidelines secretes no more Omega-7D than a woman who is 30% above the weight guidelines.

If there was one disappointing aspect of this discovery, it was that we had no test subjects who fell between the 1%-19% range. Therefore, we had no way of determining at what point the body begins manufacturing Omega-7D. However, the following finding is, in my opinion, incontrovertibly true: Omega-7D was secreted only during moments of high arousal, and the higher the level of arousal, the more elevated the Omega-7D production. Therefore, it follows, because no other factors existed for the production of Omega-7D, that this unique fatty acid actually propels and accelerates a plumper woman's level of sexual excitement.

The discovery of the Omega-7D acid, which is exclusive to plumpers, was the major finding of this research project.

Unfortunately for those women who fall within the height and weight guildeines, the study of Omega-7D is in its primitive stages and there is no way to either artificially manufacture it or transfer it from the body of a "plumper" woman to a thin woman. Omega-7D is not available at supermarkets or health-food stores and probably never will be.

While the discovery of Omega-7D was notable and shocking, the two other primary findings from our research were not quite as surprising. They are:

1. In 87% of the test cases, the fat in a plumper's body was converted into sexual energy. The amount of energy produced increased proportionally in women up to and including the plus-50% category, then leveled off. Fat-to-energy production was present in the "thin" woman in according with the proportion of her weight. Because plumper women are less active in other area of life–for example, they do less

exercise–they have substanially more stored energy to be transferred into sexual energy.

2. The elevated blood-sugar levels of plumper women result in increased creativity and, therefore, a more heightened level of arousal and willingness to experiment sexually. We also found increased sugar levels in the plumper women's sexual body fluids; i.e., her "pussy juices."

I shall address these findings one at a time. The finding regarding conversion of body fat into sexual energy was not surprising because of the observations we had already made with regards to the Atkins Diet. Fat equals energy. When the fat isn't burned in other ways, as through the body's natural metabolism or through exercise, it is stored up and utilized when the body is engaged in some other physical endeavor; i.e., sexual activity (fucking, sucking, etc.).

Our finding was confirmed by an auxilliary study of several plumper women in the test group who reported that they engaged daily in physical exercise such as jogging, weight lifting, aerobics or another sport. Our tests indicated that these women did not exhibit heightened sexual arousal nor increased sexual energy during their intercourse sessions; i.e., fucking and sucking. In each case, they exhibited no more sexual energy, creativity or interest than women in the thin test group.

In his book *Dr. Atkin' Diet Revolution*, Atkins points out that the body has difficulty burning proteins and carbohydrates at the same time. If confronted with the task of burning proteins and carbohydrates, the body will burn the proteins first and store the carbohydrates, resulting in weight gain.

A similar scenario is at work here: The body has the choice of using its energy in several ways; in this case, for exercise or for sex. A woman who falls within the guidelines of the Height & Weight Table For Women has most likely chosen to use her energy for exercise. In addition, she most likely has a heightened rate of metabolism, which must be fueled by the fat in her body. In layman's terms, a thin woman uses all of her available energy burning the fat in her body, whether through exercise

Coco

A black 'n' stacked newcomer who can't keep what she's got under wraps.

"Organ Pipe Cactus National Monument is the most peaceful place on earth," said Coco, a 44-36-44 tour guide from Arizona who actually expected us to keep a straight face when she said that. "Our organ pipes are causing a ruckus down there," we told her. At which she smiled and showed us her tits.

"Sometimes when I'm doing a tour, I feel the men's eyes on my ass."

For the record, don't go out to Organ Pipe National Monument and expect to get a ranger-led tour from Coco. She works for a private tour company, and she asked us not to reveal its name. But if, one day, you're out in the Sonoran Desert and you spot a gal who's practically busting out of her khakis and button-down shirt, it very well could be Coco showing the sights to the tourists. "I dress very conservatively when I'm working, but when you have a body like mine, it's almost impossible to conceal it," she said. "I've even busted my bra and broke out of my shirt a few times, but the only people who seem to mind are the wives. They give me evil eyes."

"The old ladies always say, 'Coco, you're such a nice girl.' They should see me with a big dick."

And here we're seeing Coco with a plastic big dick, although not one that's big enough to do justice to her huge tits and prodigious ass. "Actually, I'm just joking," she said. "I don't care how big a man's dick is, as long as it works. I have a very needy pussy." So, guys, can your organ pipe handle Coco? If so, she has a private tour just for you.

MICHAELA

Czech out another great one from the land of big tits and porn stars.

That land would be the Czech Republic, of course, and Michaela is the latest sensation from the former communist country. Who knew what was hiding behind that Iron Curtain? Super-plumper Evzenie returned to *XL Girls* in #92, and now here's newcomer Michaela, a waitress who knows how to get big tips.

"When I leave a few extra buttons open, I get much bigger tips."

Shocking! And kind of interesting, too, considering that service charges are included at most European restaurants, including the one where 44-30-44 Michaela works. "I do not know why men give me extra money for having big breasts," she said. "But it seems to be true of every man. You wouldn't want me in *XL Girls* if I didn't have them."

"What do you think of my ass? Do you like?"

Yes, we like quite a bit. In fact, we like so much that we would've considered Michaela for *XL Girls* even if she didn't have huge, fluffy tits. So, you see, we're not so shallow. We know the total package when we see it.

PUMPED FOR INFO

hold of my cock and held it steady as she impaled herself on it. I thrust my hips, driving up and into Amanda as she rode my cock. She leaned forward and rested her belly on mine, then leaned forward some more so that her heavy tits lay on my chest. I grabbed her ass and held on tight as I pumped up into her and she slammed down against me.

This time, Amanda screamed when she came, and she collapsed on top of me. Another thrust or two and I came, firing a thick wad of cum deep inside Amanda's pussy. I wrapped my arms around her and held onto her as we rolled to the side. Although I said nothing, I worried that we might be spending our last night together. I wanted to be sure it was memorable, so as soon as my cock felt up to it, I fucked her again, this time even more passionately and vigorously then before. I paid special attention to her tits this time. I wanted to make sure that my mind and cock remembered them forever, and I wanted to make sure that she would remember me fondly.

When we were done, I was sure I'd accomplished my goal on both ends.

Millie and I drove to Gatesville early the next morning and arrived at dawn. Millie exited the car half a mile from Givens' place, and I gave him time to work his way around to the back of the house. Then I drove up the long driveway and stopped on the hard-packed dirt in front of the house. I pounded up the steps and across the porch.

I kicked in the front door, expecting Givens to head out the back as soon as he heard the noise. He didn't. He charged naked from the bedroom, tackling me in the living room and sending the two of us out the front door and onto the porch. I gave up four inches and more than a hundred pounds to him, and I wasn't nearly as angry.

When we finally stopped rolling, I lay flat on my back with Givens straddling me, his heavy legs pinning my arms to the porch. He drew back his hand, and I twisted my head to the side as his first punch shook the floor beside my head. As he drew his fist back to punch me again, Millie stepped onto the porch and laid him out with a two-

by-four across the side of his head.

Millie rolled Givens' unconscious body off of me, and I stood, rubbing the small of my back and hoping I didn't have any permanent damage. I looked up to find a skinny brunette, wearing nothing but a loose-fitting T-shirt, standing in the doorway.

"This a problem?" I asked.

She stepped aside and pushed the door closed.

"Guess not," Millie said.

A moment later, the door opened again, and an armload of men's clothing showered us.

We both broke a sweat hefting the unconscious fugitive into the back seat of my Chevy, and within the hour, the Waco police had taken custody of Givens. I returned the Polaroid to Lester and collected my money. I split it with Millie a few minutes later, then went out for breakfast tacos and fried potatoes. I ran some errands, including a stop at Gloria's beauty parlor to thank her for connecting me with Givens' sister, and I didn't return to my office until mid-afternoon.

I'd barely settled in when my office door opened and Amanda stepped in. She stood with her arms folded under her huge breasts.

"You're a bounty hunter," she said.

I didn't deny it. Instead, I said, "When one of Lester's clients jumps bail, he asks me to bring the guy back. That's my job."

"My brother?"

"Just business."

"Doesn't look like just business," she said. "It took eight stitches to sew up his head."

I shrugged.

"I don't know how you did it, but you used me to find him, didn't you?"

"Does it matter?"

She looked at me for a long time then said, "My grandmother posted bond for Englebert. Put up her cemetery plot as collateral. If Bert didn't come back, somebody else would be spending eternity next to my grandfather. My brother deserves whatever he gets."

Amanda unfolded her arms and stepped to the door. After she'd opened it, she turned back. "I have a new black teddy," she said. "I'll slip into it at 10. If I mean anything to you, you'll be there to take it off."

I smiled as the door closed behind Amanda. This time when I pumped her, it wouldn't be for information. XL

SCIENTIFIC PROOF!

Continued from page 70

or natural metabolism. There is nothing left over for sex.

But a plumper woman, especially one in the plus-20% category, can use her stored fat to create energy for sexual activity. In layman's terms, a plumper will fuck harder than a thin woman because she has the stored energy to do so. As one of the subjects in our plus-20% category said, "Fucking and sucking cock is my exercise. It's the only thing I do, so I have a lot of energy for it."

Of course, this finding must come with a caveat. At some point, a woman may reach a level of obesity which is dangerous to her health and limits her mobility. That point seems to be above the plus-50% level. A woman should not put on weight, or be encouraged to put on weight, or decrease her level of exercise simply to increase her sexual energy. She should first consult a doctor; several health risks accompany significant weight gain, and these risks must be measured against the sexual pleasure gained. Notice, too, the use of the word "plumper" in this study. We did not attempt to study women who are unhealthily obese out of fear that any positive sexual findings would encourage them to remain obese.

All *XL Girls* readers have known for years that plumpers such as Debi Lee will suck harder and longer than skinny chicks. But, until now, there was never scientific proof of this.

That being said, it is an established medical fact that heavier people have elevated blood-sugar levels. Our study showed that as long as the blood-sugar level isn't elevated to a dangerous number, a plumper woman's sexual creativity and arousal increases.

The plumpers in our test group were more likely than the thin women to engage in unusual and creative sexual practices, such as allowing their asses to get fucked, licking and sucking of testicles, sucking cock that just came out of their pussies, face-sitting, double dildo insertion, ass-reaming and more.

Up until a certain point, increased blood-sugar levels resulted in increased creativity and promiscuity.

The discovery of increased sugar levels in the plumper women's body fluids was discovered quite by accident when a member of my research team, excited by one of the plumper's exuberant pussy-and-ass-fucking session, exclaimed, "Just for the hell of it, let's test her cunt juices."

"For what?" I asked.

He shrugged. "For sugar?"

Although I suspected that his intentions were purely sexual, I allowed him to do as he asked. And, indeed, much to our astonishment, the woman's pussy juices did exhibit an elevated sugar level. This led us to measure the sugar level of all of the members of our test group, and we found that the levels in pussy juice increase in proportion to body weight.

Of course, a side-effect of this is that a plumper woman should have a sweeter pussy than a thin woman.

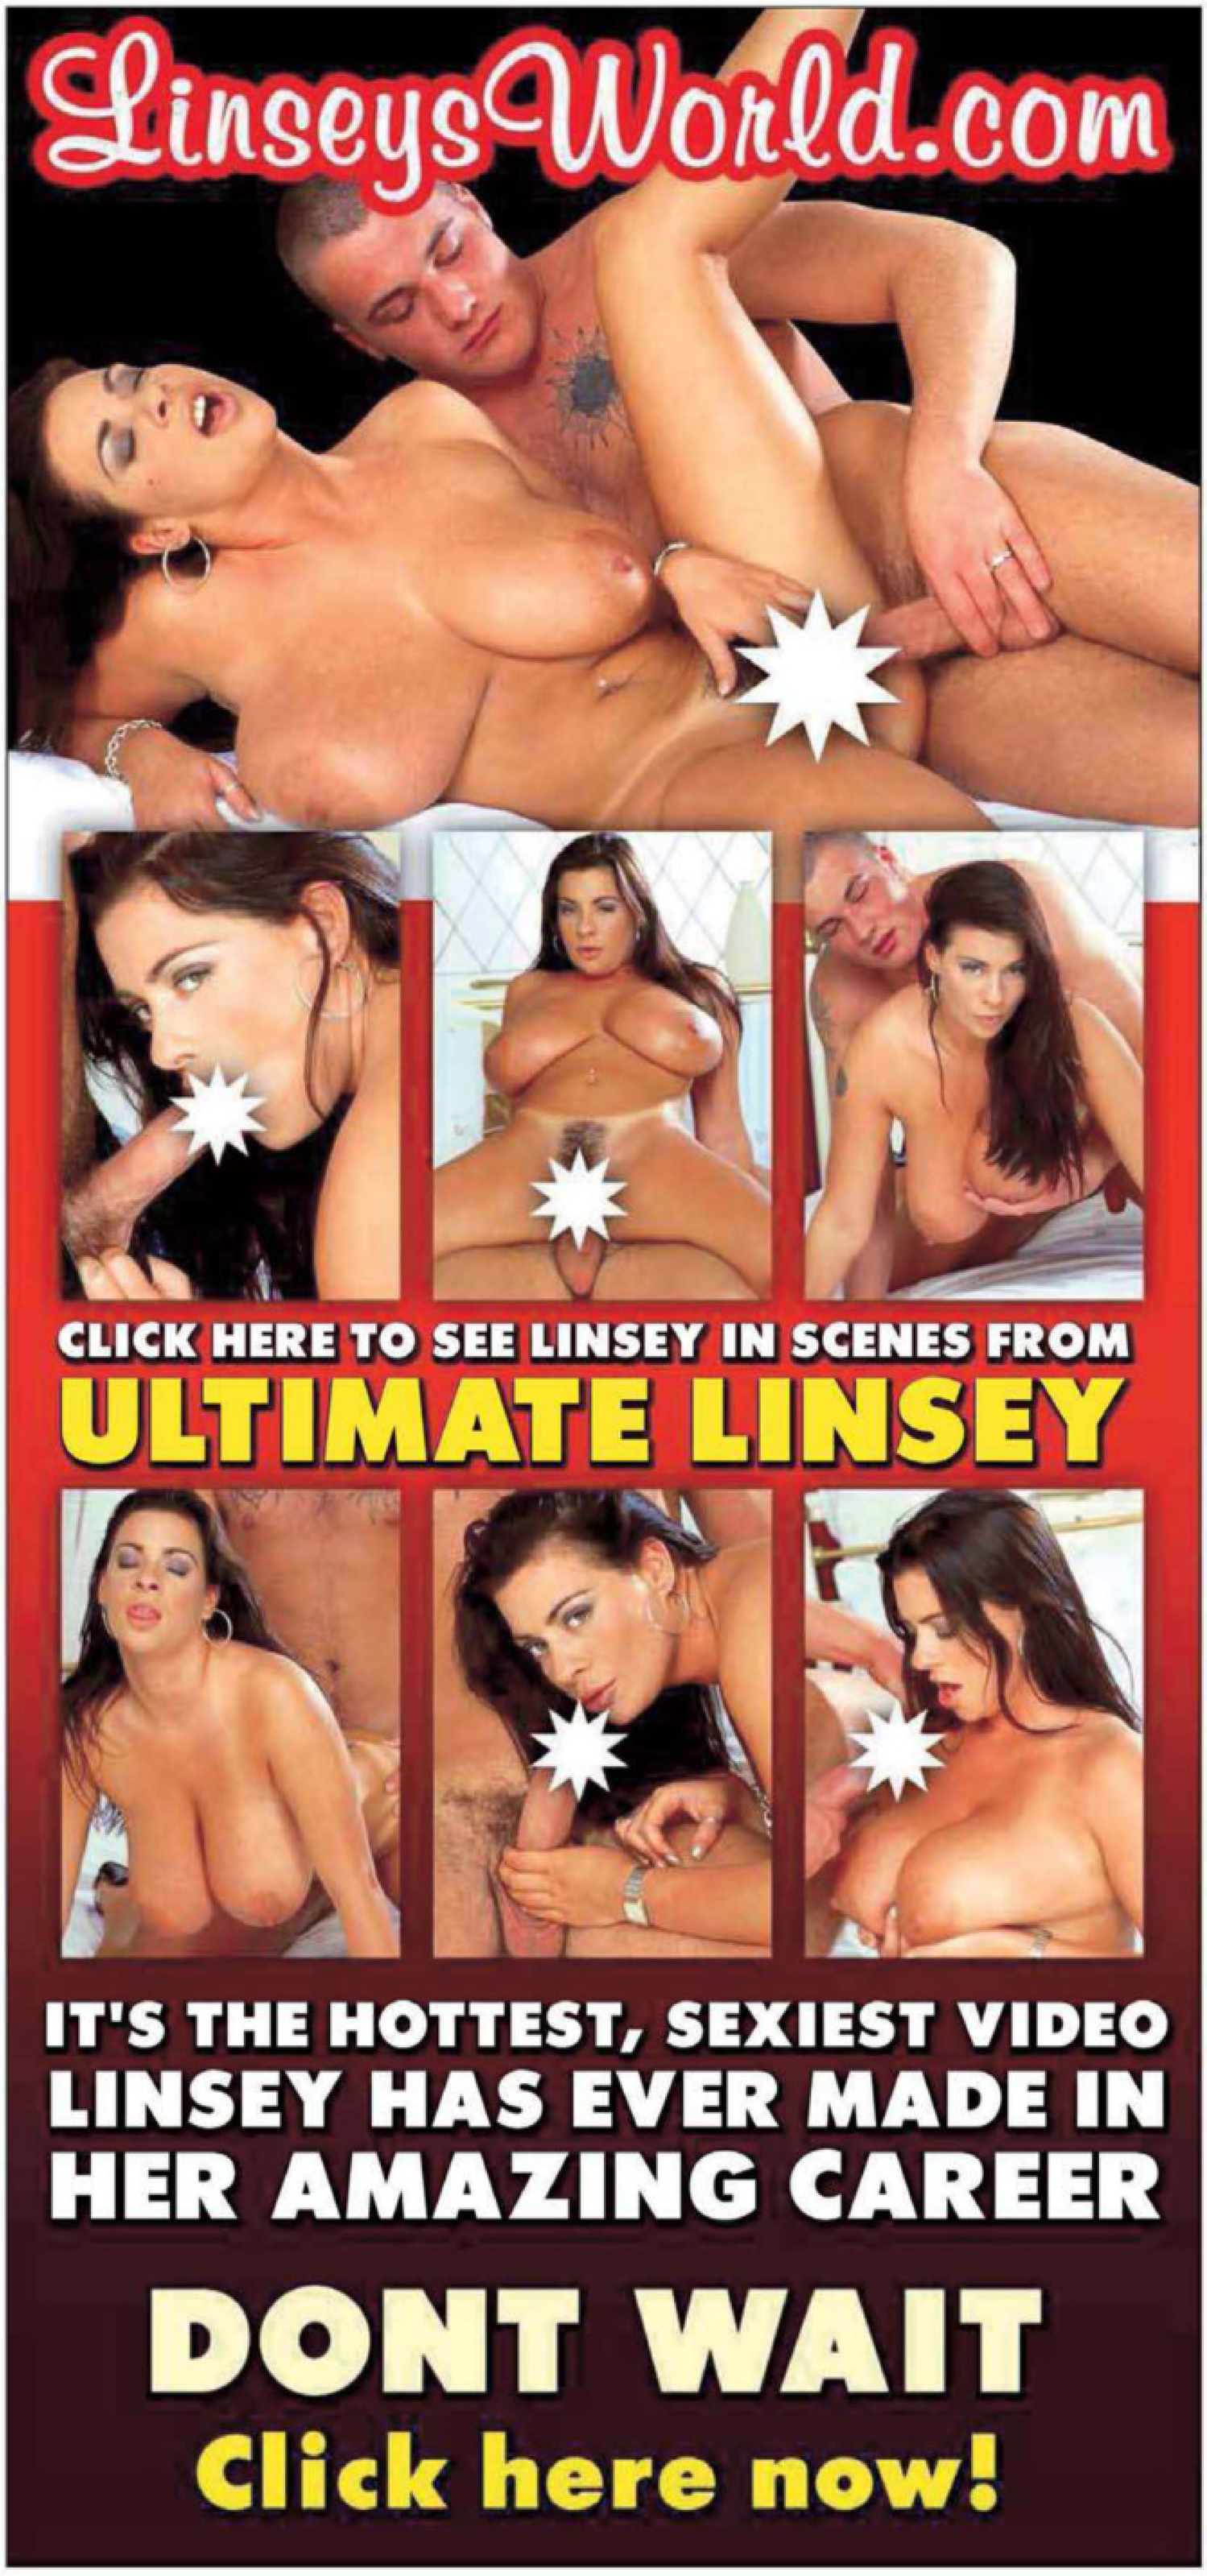

V. CONCLUSION

Although it is possible and not unlikely for a thin woman to be better, more creative and more energetic in bed than a plumper, in most cases, according to our research, the plumper will provide the more satisfying sexual experience. Add the already-existing psychological evidence, and the sexual prowess of plumpers over thin women is obvious and incontrovertible.

However, the level of sexual prowess evens off at a certain point of weight gain, and, as I said before, a woman who is extremely obese will experience health risks without sexual benefits. As always, women planning to gain or lose weight should consult their doctors before doing so. Also, our study of women does not correlate to men.

But men who are looking for the ultimate sexual experience should look no further than a woman who is in the plus-20% range. Because of physiological and psychological reasons, she is sure to be a better sexual partner than a thin woman.

Editor's note: The findings in this report are completely unsubstantiated, fictional and should not be considered as established fact by readers. They are meant only to stimulate the jacking process and increase appreciation of the sexuality of the plumper woman. However, all of it makes perfect sense to us.

WEIGHING IN

Continued from page 10

saw that she wasn't even on the ballot. How can that be? She has a beautiful face and a power-packed body that I'm guessing weighs even more than the 178 pounds you list her as.

Evzenie is, in my opinion, exactly what an XL girl should be, and the fact that she's not on the ballot, to me, makes the contest meaningless. I'm not voting.–R.P., Merrick, New York

Dear *XL Girls,*

Maria Moore has a gorgeous face, model-quality hair and a delicious body. She is an absolute living doll.–J.T., Chandler, Arizona

Dear *XL Girls,*

Not only does Sarah Mercury have a pair of the Top 10 best breasts ever, she also has an ass I would love to sink my teeth into.–C.L., Nederland, Texas

Dear *XL Girls,*

I was all ready to vote for Kerry Marie as Plumper of the Year, but then I decided not to. Why, you might ask? Well, for the same reason I didn't vote for Devin Taylor, Emage or Maria Moore. To me, a true plumper has passed the test of time. She's been around for a few years and has turned us on again and again and again. Kerry Marie has been a plumper for only about a year. Who knows what will happen this year? Maybe she'll lose weight. Wouldn't it be terrible if the *XL Girls* Plumper of the Year turned into a skinny girl again?

For that reason, my vote goes to Sarah Mercury, the greatest plumper of all-time.–W.S., New Orleans, Louisiana

Dear *XL Girls,*

I have just three words to say about Plumper of the Year: Deja, Deja, Deja!

Okay, I have more than three words. If anybody can show me a model who better fits the definition of plump, all stacked, all natural, I want to see her.–Name and address withheld

Dear *XL Girls,*

Too bad Susie Wilden didn't make another XXX video in 2003. Otherwise, I would have picked her for Plumper of the Year. My vote goes to Samantha, the reigning plumper XXX queen.–T.W., Scarborough, Ontario

Devin Taylor

She has the looks and body you've been dreaming about. But Devin is 100% real.

Sometimes it's hard for us to believe our luck. Take Devin Taylor. If she only had DDD-cup breasts, it would've been enough. If she only had a 50-inch ass, it would've been enough. If she only had spectacularly big thighs, it would've been enough. But Devin has all that plus beauty and a great personality. How can we be so lucky?

"I'm honored to finish second for Plumper of the Year."

See? Sweet Devin doesn't begrudge Samantha her victory. She knows that a newcomer finishing second to a true *XL Girls* living legend is an accomplishment. "It tells me that men appreciate me," she said. "And that means everything."

"Devin should be proud of her body. It's an *XL Girls* classic."

One of our readers said that, and he's not alone in his opinion. Devin fell only 435 votes short of winning Plumper of the Year, and she has a great shot at taking home top honors next year. 'Cause she's a great one. And we're all very lucky men.

XL Girls XTRA

KAT VIXEN

HERE'S ONE WAY TO GET A JOB.

In the new video/DVD *Voluptuous Xtra #8*, Kat Vixen is auditioning to become a dancer at a strip club. So, resourceful Kat fucks the manager.

The job doesn't involve fucking onstage. But it does involve fucking backstage.

Kat, who fucked and sucked in *XL Girls* #83 upon the release of *XL Xtra #2* (available on page 16 of the Xtra section), is back doing what she does best in *Voluptuous Xtra #8* (available on page 98 of the main mag). When the scene opens, she's wearing lavender boots, a babydoll nightie and a sexy, lacy bra. She grinds her big ass and jiggles her precious tits into the camera. Then she gives Mr. Manager a tit-fuck and blow job he won't soon forget. Then it's time to fuck, first doggie-style, then reverse-cowgirl. Kat's F-cup hangers bounce all over the place. She screams like she's getting the fucking of her life.

"The way I fuck on video is the way I fuck in real life. I'm a very horny lady."

After Kat finished jacking this guy off onto her chest, she fucked him again in our studio's shower room…away from the rolling cameras. Then, back at the hotel, she knocked on his door and fucked him a few more times. She finally fell asleep…with dry cum on her chest…and a smile on her face.

HARDCORE PLUMPERS!

These hot shots from the XL Xtra video series show why it's No. 1 in stacked-and-packed XXX.

XL Xtra #1

Face it, plumper lovers: Your video store doesn't have what you're looking for. You need to see XL girls taking the high hard one. The *XL Xtra* series delivers.

The release of *XL Xtra #1* in 2002 was a watershed event in plumper history. Finally, we had the opportunity to watch real, all-natural, super-stacked and super-packed babes in no-holes-barred, super-raunchy fucking-and-sucking action. This video, which has since been released on DVD, featured some true *XL Girls* heavyweights, like Samantha, Kelliann, the legendary Debi Lee, Paige Pin-Up and Jammin' Jennie. The you-are-there camera angles in the Samantha scene put us in the middle of the action.

Kat Vixen

Once was not enough. But what could we do for an encore? How about some ass-fucking and one of our biggest plumpers ever in *XL Xtra #2*?

Having established that, yes, there is a huge audience of men who are hungry to see big girls fucking and sucking on video, we set about to produce the sequel. And *XL Xtra #2* turned out to be a smash hit. Lilith, one of the horniest women we've ever known, enjoyed a hard-driving ass-fucking. Wonder Tracy, who at 240 pounds is one of the true super-plumpers of *XL Girls* history, engaged in an enthusiastic fuck session that rattled the walls of our studio. Plus, exotic Anna Live, midwestern chick Kat Vixen and Joy Juggs made their XXX debuts. In all, *XL Xtra #2* was a more-than-worthy follow-up to the original.

That's what *XL Xtra #3* had to offer, plus Samantha in her raunchiest boy-girl, Nikki Perez and Mandy Casa in their debut hardcore scenes and lots more of pretty, approachable Paige Plenty. Brit-titter Denise Davies got her hands on a big one for her XXX debut. And Lou Lou and Sweety filled the screen with voluptuous flesh in a truly cock-hardening tit-to-tit, ass-to-ass. Want to order *XL Xtra #1, XL Xtra #2* or *XL Xtra #3*...or all three? Just turn the page. They're all available on DVD and video, and they're all guaranteed to please.
